Experience & Discover God Everywhere

Welcome to Camp E.D.G.E. where you and your kids can experience and discover God everywhere. This adrenaline-filled, creative Bible-based program will bring your kids closer to God when they discover that God is with them at all times, and in all circumstances, ready to help and guide them. They will also discover Jesus, who went to the extreme for them. Each day they will learn an E.D.G.E. pledge & experience an extreme Bible trek, showing that extreme faith requires extreme actions. Share in the strength that comes from building and belonging in community. Music and team building activities will be accompanied by science and creative activities, culminating in an exciting outdoor celebration with some rock climbing on Friday.

Additional forms will be distributed and required for older kids to participate in the Rock climbing activity designed as part of Friday's finale celebration
